Dear Sir :

They are some antique gold and silver coins of Greek origin which are for sale and I will be interested to learn if you care to add these to your collection.

I will be able to furnish you with photographs of each side of them and mail them to you for your inspection.

very truly yours
Milton Copulos

Dear Sir:

We would be glad to have you send
photographs of the gold and silver Greek
coins you may have. We can then advise you
if we care for any of these.

Very truly yours,

Dear Sir:

Your favor with the photographs
of Greek coins at hand. We do not care
for any of these pieces. Only the gold
coin of Alexander has any value worth
mentioning.

Very truly yours,
